

jiga.

Purchase parts. Zero hassle.

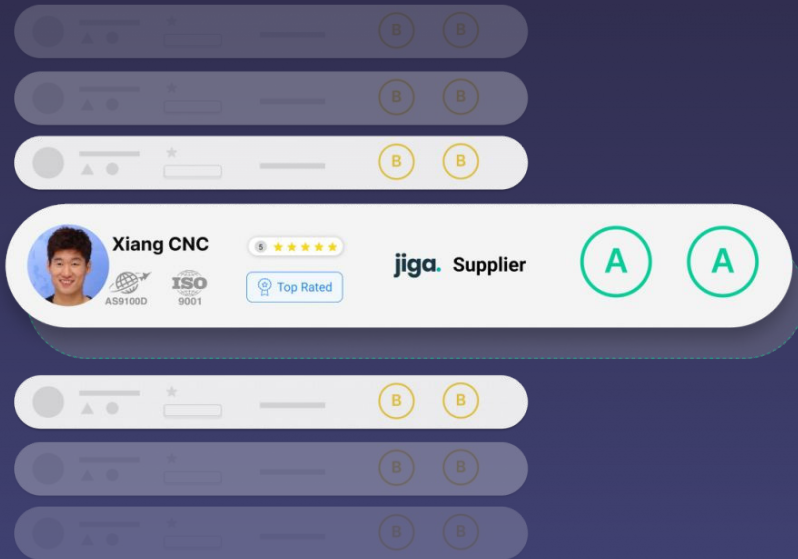

No supplier onboardings, NDAs, payments and hundreds of POs. Purchase parts from suppliers while Jiga handles it all.

Consolidate long-tale procurement

Work with Jiga as a super supplier under one invoice to optimize the 80% of suppliers contributing to 20% of your spend.

Vetted network and quality guarantee

Jiga is fully responsible for your parts, providing you with ongoing support, buyer protection and mediation in case of issues

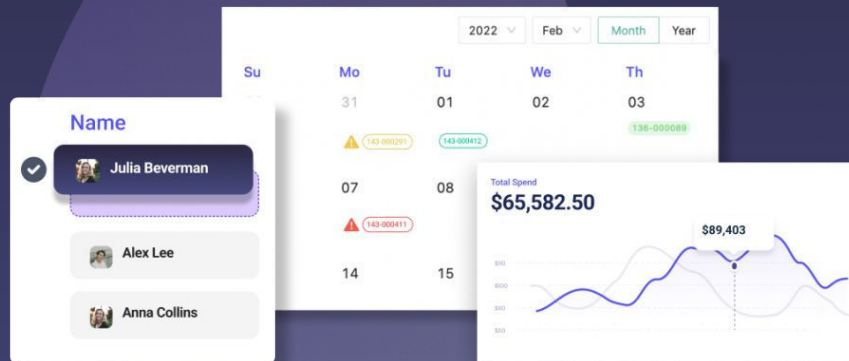

Streamlined RFQ to PO process

Easily send part drawings, BOMs and CAD models for quoting, collaborate with suppliers directly in a shared space

Leverage supply chain data

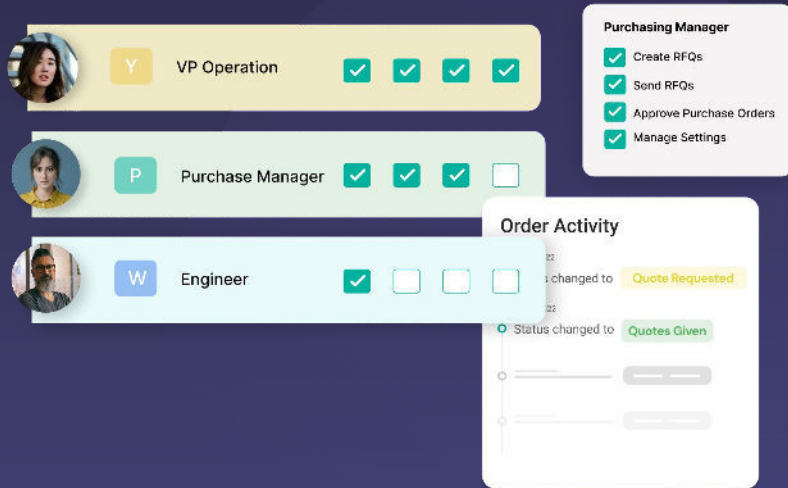

Track and visualize your data instead of losing it in siloed inboxes and spreadsheets

Always know where your parts are

Keep track of revision
changes, order statuses and
delivery schedules with
complete, real-time visibility

☒ Send automated follow-ups to suppliers
